# Design System - Colorways - Update on Orange

The orange and green pairing is not supported for primary digital usage because the orange color triad poses accessibility challenges for typography.

## Approved Website Logos and Color Pairings

Section primary:  
Green Triad

Section partner:  
Blue Triad

Section primary:  
Blue Triad

Section partner:  
Purple Triad

Section primary:  
Purple Triad

Section partner:  
Red Triad

Section primary:  
Red Triad

Section partner:  
Orange Triad

The orange and green pairing is not supported for primary digital usage because the orange color triad poses accessibility challenges for typography.
